Dear Mark,

As Janice and I head back to Memphis, I wanted to formally advise you of what we already discussed...your presentation was a great hit!

There were so many direct references to the 4 focal points of your presentation; it is clear your message reached many of our dealers. Your availability and accommodating demeanor was a tremendous bonus.

Thank you for making us look good regarding our selection of speaker!

Here's hoping you and Rebecca enjoyed your time with us in the Riviera Maya and especially that it is a catalyst for more ACCC related business for you.

May our paths cross again in the not too distant future.

Sincerely,

cc: J. Lewin

*p.s. you now are indeed a "political" speaker!*
