To Whom It May Concern:

As Chairman of the Nevada Hospital Association, it was my great pleasure to have Mark Eaton present as the Keynote Speaker at our annual conference.

While I familiarized myself with Mark's presentation from his website prior to the conference I was surprised by the impact that his "bigger than life" presentation had on our membership.

Mark infuses his Four Commitments to a Winning Team with his personal story of obscurity-to-greatness in a way that engages and resonates with "regular" people. He brings us back to the fundamentals that are instrumental to individual, organizational and industry success.

I highly recommend Mark Eaton for your business, corporate, association or trade event. His energetic and compassionate program is sure to inspire and motivate all who attend.

Sincerely,
