RE: Event Speaker

To Whom It May Concern:

My name is Michelle O'Brien and as the Vice President of Human Resources I have the privilege of overseeing all meetings for our team members. This gives me the opportunity to organize and plan for our internal meetings.

It is a true pleasure for me to write this letter of recommendation for Mark Eaton, who was recently a guest speaker at the Stein Eriksen Lodge Deer Valley in Park City, Utah. Stein Eriksen Lodge is Utah's only Forbes Five Star and AAA Five Diamond luxury resort hotel.

Every winter season we host an event for our team as we kick off the winter season. We look for speakers that can motivate and inspire our team for the upcoming season. We have very high service standards and look for our team to have a strong work ethic and team work. With that said, Mr. Eaton not only entertained our team but motivated them to reach higher and to work as a team to accomplish our objectives.

Mr. Eaton is very motivating and many of our team grew up with Mr. Eaton on the basketball court in Utah which is a great connection. His philosophies and topics resonate highly with his audience and I would highly recommend Mark Eaton as a speaker at your next event.

Sincerely,
