Dear Mark:

The 43<sup>rd</sup> Annual CSDA Convention and Tech Fair held at the Renaissance Vinoy Resort in St. Petersburg Florida was an outstanding success. Positive feedback on the presentations and roundtable sessions indicates that attendees were provided with the kind of program they want and expect from a CSDA Convention. This success would not have been possible without your participation. You helped to educate and inform members about topics of specific interest to them, and you showed attendees that CSDA is a valuable association with tremendous member benefits.

On behalf of CSDA, thank you for the time and effort you invested in preparing and participating in the Convention. Your support of CSDA is certainly appreciated. I hope that you can continue to be actively involved with CSDA and be an integral part of future convention programs.

Best regards,
