Dear Mark,

I wanted to drop you a quick line and let you know how pleased we were to have you speak at our 30th anniversary commemoration.

As you know, we brought in about 300 of our employees and partners that we have from around the world for this event. We had many activities and events for this celebration and your presentation was the favorite by far. We heard more positive feedback from our team about your presentation than about anything else we did.

It has been several months since your presentation but I still hear people quoting from you and stressing your points in meetings. Your message has left a lasting impression.

Thank you again for your insight, your entertainment, and your professional demeanor. We look forward to associating with you in the future.

Best Regards,

Rob Farnsworth
