"Thank you for speaking and joining us for our annual Westar Energy Safety Tour. All of the people at Westar, from the frontline employees to our highest level leaders really enjoyed your Four Commitments of a Winning Team. **Your stories and real-life examples really hit home** and spoke to our Westar Team. I continue to hear people refer to the values they learned as a result of your presentation.

Since your visit, we have focused on one of your Commitments each quarter, to remind everyone about your valuable lessons. We have also achieved great success in safety and productivity. For example, **OUR ENTIRE FLEET OF POWER PLANTS HAVE NOW WORKED ONE YEAR WITHOUT A RECORDABLE INJURY, WHICH HAS NEVER BEEN ACHIEVED IN OUR COMPANY'S HISTORY.** This safety milestone was reached while exceeding our reliability goals. Thank you for helping us be a winning team."
